

BD-3

Admitted in 2022-23

Learning Outcomes

- To acquire a wide range of knowledge about Christianity
- To develop good critical thinking and self-reflection abilities and holistic personal development
- To qualify for the credentials of leadership roles in the church, the Christian community and society

Curriculum

It normally takes three to five years for students with different academic qualifications to complete the full-time Bachelor of Divinity (BD) programme. Students who have not received a bachelor's degree prior to admission (i.e. BD-4 and BD-5 students) are required to take additional course (e.g. general education courses and philosophy courses) to gain broad exposure to different disciplines and to understand Christianity with an interdisciplinary perspective.

Type of Curriculum	Graduation Requirements (2019 Entrants)	Normative Study Period (Years)	Maximum Study Period (Years)
5-year curriculum (BD-5) • For secondary school graduates	154 units	5	7
 4-year curriculum (BD-4) For secondary school graduates with professional training not less than two years (e.g. associate degrees or higher diploma programmes) 	125 units	4	6
3-year curriculum (BD-3)For bachelor's degree holders (including Bachelor of Theology)	101 units	3	5

Full-time church or Christian organization workers, and Christians with a doctorate in other subjects, can apply for part-time study. The study periods of part-time students vary according to individual circumstances. To maximize learning experience, students are strongly encouraged to opt for full-time study whenever possible.

The University adopts a credit unit system. Generally speaking, each credit unit should be regarded as equivalent to one contact hour per week for at least 13 weeks in an academic term. BD students are required to complete 101-159 units of courses before graduation. The following is a breakdown in terms of credit units:

Comprehensive Examination

In addition to the above course requirements, all BD students are required to sit for the **comprehensive examination** in Year 4 (i.e. the **penultimate year**). The examination is held in early May every year. Before taking the examination, students are advised to complete at least four courses in Bible, three courses in Theology, two courses in History of Christianity and at least 11 courses altogether.

There are two papers for the written examination. Students may answer the questions in either Chinese or English. Paper I is a three-hour closed book examination while Paper II is a four-hour open book examination. Students who fail in the examination may take a re-sit examination, which will normally take place by the end of September of the same year. Students who fail in the retrial should withdraw from the programme.

Points to note:

Year of Attendance indicates a student's cumulative years of attendance at the University. It depends on a student's **year of admission** regardless of the level and the programme of study. For a student admitted in 2019-20, the year of attendance is "1" in 2019-20, "2" in 2020-21, "3" in 2021-22, etc.

Year of Study reflects the level of study. As shown in the table below, BD students are expected to graduate in Year 5. A BD-4 student is in Year 2 during the first year of attendance. Similarly, a BD-3 student is in Year 3 during the first year of attendance. As a general principle, lower level (or undergraduate) courses should be taken in Year 1 and 2; while higher level (or postgraduate) courses should be taken in Year 3 or above.

Remarks:

- * Foundation THEO courses. Students should take foundation courses before taking THEO courses at advanced level.
- A Students are allowed to take these courses more than once, and gain three units each time they pass the course. However, students cannot take courses with the same course code more than once in a single term.
- + In 2014-15 (and before), THEO3240 was worth 2 units. With effect from 2015-16, THEO3240 is worth 3 units and it is no longer listed as a compulsory course under Area (8).
- Holders of Bachelor of Theology degrees (or other equivalent qualifications) who have full-time work experience in church are eligible to apply for exemption from Field Education.

Points to Note:

- 1. Some courses are listed in more than one area of study. However, **no course taken in a single term could be double-counted towards students' graduation requirements**. For instance, if a student takes *THEO3222 History of Christianity in Hong Kong* for partial fulfilment of Area (2), then THEO3222 will not be counted towards Area (5) nor Area (9).
- 2. A few courses have two course codes, e.g. THEO1212/5312 *Introduction to the New Testament*. Under this circumstance, students should register for the course codes **THEO1000-4999 instead of THEO5000 or above** (e.g. to take THEO1212 instead of THEO5312). Year 3 or above BD students should follow **postgraduate assessment standards** for all THEO courses taken regardless of the course codes registered.
- 3. Courses listed above will be offered according to resources available in each term and year. Details of course offerings in a particular term will be announced at course registration time.
- 4. [Applicable to students admitted in 2016-17 or before only] Please refer to the school webpage for course codes used in previous academic years.
