

# Divinity School of Chung Chi College, The Chinese University of Hong Kong 2017 Walkathon: Fundraising for the "Optimisation of Theology Building"

## Aim:

Theology Building is located in the serene and scenic campus of the Chung Chi College. Established in 1969, it has 47 years of history. It is a home to our students. Equipped with classrooms and an office, it also provides spacious rooms for fellowship and worship, which has nurtured many great pastors and scholars.

Currently, our school is planning to transform some rooms in Theology Building to new classrooms so as to increase the availability of teaching space. Moreover, many facilities in Theology building have deteriorated due to aging. Spalling concrete and peeling ceilings frequently appear in the building in recent years. Therefore, a large-scale renovation and reconstruction work with an estimated cost of HK\$2,000,000 is urgently needed.

This year, we organise the walkathon in a hope to raise funds for the optimisation project of Theology Building. Your support will be much appreciated.
