2018 Walkathon: Fundraising for the "Optimisation of Theology Building"

All-round Support to Theology Building: Raise 2 million to increase teaching, fellowship and worship spaces for Divinity School

Theology Building was built in 1969 and has nearly 50 years of history. Many facilities in the building have deteriorated due to aging. The maintenance optimisation project of Theology Building has started last year to improve the school environment and to increase teaching, fellowship and worship spaces. Therefore, a large-scale renovation and reconstruction work with an estimated cost of HK\$2,000,000 is needed.

The optimisation project includes:

2/F T30-T33 → To renovate as classrooms and/ or storeroom

R/F storeroom → To renovate as activity room for Student Union and Theology Building Residential Association

G/F Office → To optimise as office for teaching staff

Fundraising target: **HK\$550,000** (In commemoration of the 55th Anniversary of Divinity School. The amount constitutes around 1/4 of the total cost for the maintenance optimisation project)
