### Assessment Scheme (including Requirements)

Task Nature and Weightage	Purpose and Rationale	Learning Outcomes
<p><u>1. Compulsory Attendance and Active Participation (10%)</u></p> <p>A penalization of 0.5% of this grade for each missed period of lecture. If students <b>have valid reasons</b> to miss lectures and tutorial sessions for 10 class periods, students are expected to withdraw from the course asap. Otherwise, a full penalization of 30% of the final grade applies. <b>Penalization of this grade applies regardless of valid or invalid reasons.</b></p> <p>Students <b>must</b> participate <u>pro-actively</u> in class as required: Pro-active refers to learning activities where students are expected to verbalize pronunciation of words learned, sing, recite verbally – all in audible volume to their partners, or instructor or to keep pace with the whole class. There will be penalization of the full 10% from this course if students do</p>	<p>Language courses require constant drilling, and due to the fact that Biblical Hebrew is a dead language, absence from any period will result in difficulties to catch up for each class period.</p> <p>1. Students will follow the smooth progress of building upon each topic as the language is taught.</p> <p>2. Students get <b>immediate</b> reinforcements for each new word or concept learned.</p>	<p>1. Students can follow the progress of each topic smoothly.</p> <p>2. Students build upon each new concept of the language based on the previous one.</p> <p>3. Students can reinforce the learning through active use of the language.</p> <p>4. Student learns to reinforce their own understanding with co-learners and the instructor.</p>
