Task Nature and Weightage	Purpose and Rationale	Learning Outcomes
<p>1. Compulsory Attendance and Active Participation (6%) Students must participate <i>proactively</i> in class as required: <i>Proactive</i> refers to learning activities where students are expected to verbalize pronunciation of words learned, sing, recite verbally – all in audible volume to their partners, or instructor or to keep pace with the whole class.</p> <p>Should foreseeable circumstances prevent a student from attending a class, the student must notify the instructor and teaching assistant (TA) by email. The student is expected to make up the missing class on his/her own through the materials posted on Blackboard and/or personal arrangement with the instructor and TA.</p>	<p>Language courses require constant drilling, and due to the fact that Biblical Hebrew is a dead language, absence from any period will result in difficulties to catch up for each class period.</p> <p>1.
